| Function                             | Light screen                      |  |
| Light type                           | IR                                |  |
| Wavelength                           | 950 nm                            |  |
| Optical resolution                   | 30 mm                             |  |
| Range                                | 10018000 mm                       |  |
| Scan field                           | 750 mm                            |  |
| Number of beams                      | 50                                |  |
| With muting function                 | no                                |  |
| Scan Code                            | Adjustable                        |  |
| Electrical data                      |                                   |  |
| Operating voltage                    | 2028 VDC                          |  |
| Residual ripple                      | < 10 % U <sub>ss</sub>            |  |
| DC rated operational current         | ≤ 375 mA                          |  |
| No-load current                      | ≤ 275 mA                          |  |
| Max. current safe output             | 0.5 mA                            |  |
| Short-circuit protection             | yes                               |  |
| Reverse polarity protection          | yes                               |  |
| Output function                      | 2 x NC (normally closed), 2 × PNP |  |
| Current output                       | 0500 mA                           |  |
| Number of safe semiconductor outputs | 2                                 |  |
| Response time typical                | < 17 ms                           |  |
| With restart interlock               | yes                               |  |
| Blanking function                    | yes                               |  |

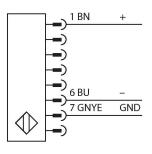

### Features

- Emitter with male M12 × 1, 8-pin
- Receiver with male M12 × 1, 8-pin
- Blanking function
- Protection class IP65
- Adjustment via DIP switch
- Operating voltage 24 VDC +-15 %
- Resolution 30 mm
- Scan field 750 mm
- All devices incl. 2 EZA-MBK-11 mounting brackets; 900 mm devices and longer additionally incl. 1 EZA-MBK-12

## Wiring diagram

### Technical data

| Mechanical data       |                               |  |  |
|-----------------------|-------------------------------|--|--|
| Design                | Rectangular, EZ-Screen        |  |  |
| Dimensions            | 45 x 36 x 821 mm              |  |  |
| Housing material      | Metal, AL, Yellow polyester   |  |  |
| Lens                  | plastic, Acrylic              |  |  |
| Cascadable            | no                            |  |  |
| Electrical connection | Cable with connector, M12 × 1 |  |  |
| Number of cores       | 8                             |  |  |
| Ambient temperature   | 0+50 °C                       |  |  |
| Protection class      | IP65                          |  |  |
| Power-on indication   | LED, Green                    |  |  |
| Switching state       | 2-color LED, Red              |  |  |
| Tests/approvals       |                               |  |  |
| Vibration resistance  | 10-55 Hz at 0.35 mm           |  |  |
| Shock test            | 10 g at 16 ms (6000 cycles)   |  |  |
| Approvals             | CE, cULus listed              |  |  |
|                       |                               |  |  |

## Functional principle

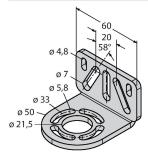

The high-resolution safety light screen for personnel protection consists of an emitter and a receiver. The system is optically synchronized, making the wiring between emitter and receiver redundant. The receiver's safety switching outputs are directly connected to a load relay and trigger an immediate stop of the dangerous machine cycle. Personnel safety degree type 4 acc. to IEC 61496 is fulfilled through 2 channel monitoring of the switching device and the multiple-redundant construction with mutual processor control.

### Accessories

# EZA-MBK-11

3071470 Mounting bracket, steel, blackfinished, for EZ-ARRAY and EZ-SCREEN standard and cascade 14 & 30 mm

### EZA-MBK-20

3072587

Mounting bracket, steel, blackfinished, for EZ-ARRAY and EZ-SCREEN standard 14 & 30 mm

# 

EZA-MBK-12

### 3071756

Mounting bracket, steel, blackfinished, for EZ-ARRAY and EZ-SCREEN standard and cascade 14 & 30 mm
